

Add a new feature - Success

Date : 2015.10.18

Tags :

Made by : Asutosh SATAPATHY

Goal : To add a (random) new feature to the application

Procedure :

1. Used 'scikit-image' library to extract a new feature from the image.
2. Added the new feature to the existing feature matrix.
3. Passed the feature list.

Results :

1. Successfully added a new project.
2. The runtime of the application was reasonable with ~3mins.
