

Understand Image Feature Extraction

Date : 2015.10.17

Tags :

Made by : Asutosh SATAPATHY

Goal : Understand the feature extraction process for images.

Procedure :

- 1. Went through the links suggested by the staff.**
- 2. Studied the winning solutions for the Kaggle Challenge.**
- 3. Looked through a lot of images to understand how they differ.**
- 4. Tried to get an understanding of how the different classes differ from each other visually and how can I capture that programatically.**

Results :

- 1. Got a good grasp on features of images.**
